SUPERVISORS HOLD REGULAR MEETING

The Board of Supervisors met in regular session Monday, September 16th, there being present P. H. McEvoy, presiding, Wm. H. Brown, Jas. T. Casey, D. E. Blackburn, and Jos. M. Francis.

Joseph Inches of San Mateo, aged 74 years, applied to the board for aid, representing that he was unable to earn a livelihood. He was granted $8 per month on motion of Brown, seconded by Francis.

Reports were received from the motorcycle officers as follows:

M. F. Brown, Second township—Eleven arrests, 15 convictions, 2 cases pending. Fines paid, $390. One jail sentence of two days.

T. A. Martenstein, Third township— Seven arrests, 3 convictions. Fines paid, $100.

F. Vallejo, Fourth township, reported having served on August 24th and September 1st, on which days he made two arrests for which fines amounting to $15 were collected.

A communication was received from George E. Dunn of the Coast side Comet of Moss Beach, offering to devote a special issue of his paper to an exploitation of the coast side for a price of $75.

L. E. Fuller, the manager of the San Mateo County Development Association addressed the board, stating that the association was about to issue a booklet which would be devoted to advertising all parts of the county, which work he believed would have a more far-reaching effect.

The communication was referred to the Development Association.

George C. Ross addressed the board in reference to the proposed highway lighting district at Belmont, stating that the proceedings taken by the board were void because of the many irregularities in the proceedings. In the first place the petition on which the board acted did not have the necessary number of qualified signers; the election was held on Saturday afternoon which is a holiday and there were but two officers when there should have been three. Mr. Ross expressed himself as being in favor of the lighting district, but under the circumstances it would be dangerous to proceed with the levying of a tax for its maintenance.

R. F. Chilcott testified under oath that he had examined the list of signers to the petition and found that less than twenty-five were on the assessment roll.

A resolution was then presented and adopted on motion of Brown, seconded by Casey, declaring the proceedings invalid and vacating and setting them aside.

Mr. Ross also appeared as a committe from the local bar and called attention to the need of additional shelving in the courthouse law library.

On motion of Francis, seconded by Blackburn, the clerk was authorized to procure the necessary shelving.

The chairman announced that as two of the candidates for supervisor of the Third township, himself and Mr. MacBain, had received an equal number of Socialist votes it was necessary to draw lots to determine which was entitled to a place on that ticket. The matter was quickly disposed of by using a coin, Mr. MacBain choosing "heads" and winning. He was declared the Socialist nominee.

The clerk was directed to proceed with the opening of bids for furnishing current for the Halfmoon Bay Lighting District. One proposal was received, that of the Halfmoon Bay Light and Power Company, which was as follows:

Five Tungsten lamps, 100 watt, each per month, $2.70 ;14 Tungsten lamps, 60 watt, each $1.60, making a total cost per month of $35.90.

On motion of Francis, seconded by Blackburn, the contract was awarded to the Halfmoon Bay Light and Power Company.

Bids were opened as follows for the construction of a concrete bridge at Montara in the Fourth township:

C. C. Christensen—$1371; extra concrete, per cubic yard, $8.10.

M. B. Wiggins—$1925; extra concrete, $8.

T. H. Elkington—$1370; extra concrete, $8.

A. W. Gorrill—$1757; extra concrete, $16.

On motion of Blackburn, seconded by Francis, the contract was awarded to Elkington.

L. E. Fuller stated that the County Development Association had selected Marhsall Douglass, a competent publicity man, to conduct the campaign in favor of the good roads movement at a salary of $150 per month. At his request the appointment was confirmed on motion of Brown, seconded by Blackburn.

District Attorney Swart addressed the board on the need of limiting the number of water rail to be killed by hunters during the open season and on the advisability of shortening the season. After some discussion of the subject it was ordered, on motion of Blackburn, seconded by Francis, that the district attorney prepare an ordinance limiting the number of birds to be taken by each hunter daily to twelve and leaving the season as it is at present, two weeks. It was also decided to pay a reward of $15 for convictions of violators of the ordinance.

Mr. Swart also called the board's attention to the need of patroling the county roads at night for the purpose of enforcing the speed regulations. He said the violators of the law at night were more flagrant than in the day time and were a greater danger to the public.

Brown stated that he had instructed his officer to keep watch one night during the past week and he had made four arrests, one of whom was a woman who was driving her machine at the rate of sixty miles an hour.

It was decided on motion of Blackburn, seconded by Casey, to have the motorcycle officers of the First, Second and Third districts patrol the county roads occasionally at night and arrest offenders.

Surveyor Newman was, on motion of Blackburn, seconded by McEvoy, permitted to purchase additional filing cabinets for his office and to employ clerical help to index the maps and road records of the county.

The district attorney asked the advice of the board as to what action he should take regarding the removal of the Spring Valley flume at San Bruno. He had had many conferences with the officials of the company and while promises had been made to improve conditions at San Bruno he had been unable to secure results.

E. I. Woodman of South San Francisco stated that the Spring Valley Company had lowered a portion of its flume in that city at the request of the board of trustees. He thought if the company was asked to confer with the board a similar concession could be secured for the county.

It was ordered, on motion of Casey, seconded by McEvoy, that the superintendent of the water company be requested to appear at the next meeting for the purpose of conferring on the subject.

Casey was authorized to employ the surveyor to prepare plans for a bridge on San Bruno avenue in his district.

Adojurned for the noon recess.

Afternoon Session.

The board reconvened at 1:45, all of the members being present except McEvoy.

Brown was chosen as presiding officer on motion of Blackburn, seconded by Francis.

The application of C. H. Wideman for a permit to conduct a hog ranch in the Fifth township was taken up, Harry E. Styles appearing for the applicant.

There being no opposition the application was granted on motion of Blackburn, seconded by Brown.

Tax Collector McSweeney was authorized to go out in the county and make tax collections, charging his expenses to the county.

On motion of Casey, seconded by Blackburn, Mrs. Rafael Herterda was allowed $8 per month until further notice, she and her family being in destitute circumstances.

Mrs. Borelli of the First township was also granted $8 monthly on motion of Casey, to assist in the support of her three children.

Ordinance No. 256, requiring the muzzling of dogs was presented by the district attorney and adopted on motion of Blackburn, seconded by Casey.

It was ordered, on motion of Blackburn, seconded by Casey, that the members of the board be authorized to appoint officers for the enforcement of the ordinance who shall each receive a monthly salary of $25 and $1 for every dog killed, they to furnish proof of having killed the dogs.

Blackburn was granted permission to provide a motorcycle for his patrolman, on his motion seconded by Brown, the machine to be purchased by M. F. Brown of San Mateo.

A communication was received from the State Board of Equalization notifying the board that the State tax for the benefit of the Panama-Pacific Exposition had been fixed at 4 cents and 4 mills.

Auditor Underhill presented the following estimate of taxes required for the county's needs during the present fiscal year:

To the Honorable Board of Supervisors of San Mateo county—Gentlemen: I herewith submit an estimate of the tax rate necessary to be levied to pay the demands for the ensuing year on the following funds, viz:

	Levy of 1911	Estimate of 1912
Panama (state)	.05	.044

Courthouse Furnishing Interest	.01	.005

Panama (County)	.06	.046
	1.85	1.50

Added to the auditor's estimate was the tax rate required for the several school and lighting districts, which was later adopted by the board without change.

The board retired to the anteroom with the auditor and after a careful discussion of the matter returned to the meeting room when Supervisor Francis, chairman of the Finance Committee presented the following resolution which was adopted on motion of Blackburn, seconded by Francis:

Resolved that by virture of the authority vested in the Board of Supervisors by and under the provisions of Section 2714, Chapter V, Article 2 of Part 3, of the Political Code as amended; it is hereby ordered that the rates of taxes levied by the Board of Supervisors of the County of San Mateo, State of California, for the fiscal year 1912, for State and County purposes upon each one hundred dollars of the assessed valuation

THE DEVELOPMENT ASSOCIATION

A FORTUNATE SELECTION.

In the selection of their candidate for Supervisor, the Republicans of the Third District have been particulary fortunate. No man in the county possesses to a more marked degree the peculiar qualifications necessary to successfully fill that important office than does John MacBain—nor is there a man in San Mateo County who more fully enjoys the confidence and esteem of his fellow citizens. For the better part of a lifetime he has been a resident among us, successfully engaged in business pursuits, handling transactions involving large financial responsibility, and during all that time no one has ever yet questiond either his integerity or the fairness of his dealings.

A man of extensive mechanical experience, he is well qualified to handle successfully the problem of road construction, a qualification which will be one of the utmost importance in the era of county development which it is aasured will be witnessed in San Mateo County during the coming four years. Not only will he expend the money of the taxpayers honestly, but what is even of more importance, he can be depended upon to expend it wisely,

CONGREGATIONALISTS HOLD ANNUAL CHURCH MEETING

The annual meeting of the members of the Congregational church was held in the parlors of the edifice Thursday evening, about ninty-six members of the congregation being present. A most delightful dinner was served at 6:30 o'clock. The business meeting began at 8 o'clock. Reports of the officers of the various departments showed the church to be in a good, healthy condition. The current expenses, patsor's salary, repairs etc. during the past year were $2200, and in addition $200 was given to missionary work. There were 129 members on the church roll, 102 of which are local and 27 absent in other parts of the State. The following officers were elected for the term:

Miss C. M. Shelly elected clerk for the twenty-third year, trustees, two years term, R. W. Mantz, D. W. Williams, and H. Mattens, deacon, C. Bettin, superintendent of Sunday school L. P. Behrens. A vote of thanks was tendered to Robert Brown who had served as president of the board of trustees for twenty-five years and who declined re-election. A vote of thanks was also given Miss Katherine Wolfenden, O. M. Carrington and Miss Clarissa Dodge for faithful services as organists and choir leaders. C. M. Doxsee presented the meeting with list of needed improvements that would amount in the aggregate to $875 and asked for subscriptions and in less than fifteen minutes the sum of $1030 was pledged for the work. Arrangements forthe celebration of the fiftieth anniversary of the organization of the church in Redwood City was discussed. The affair is to take place on November 2d and 3d. An effort will be made to have all the former pastors of the church, now living to be present. It will also be arranged to have one of the first choirs of the church here on that occasion, the members being Mrs. Joseph Hutchinson of Palo Alto, F. R. Thomas of Oakland and James Fitch of Los Gatos. Rev. Stevens, pastor of the church, delivered a fitting address, during which he thanked the people for their co-operation and outlined his work for the coming year. The meeting was the most successful and pleasant in the history of the church.

ATTORNEY KIRKBRIDE'S WOUNDS ARE NOT FATAL

Dr. J. L. Ross, one of the physicians attending Charles N. Kirkbride, who was shot by a highway man in the street car hold up last Monday night at Easton, arrived late last evening from the bedside of the sick man. The doctor says the patient is improving nicely and will recover. Louis Kirshman, who was arrested at Halfmoon Bay on Wednesday on suspicion, underwent a thorough examination yesterday. Several of those on the street car at the time of the hold up failed to identify the suspect. He will be given his freedom in a few days.

Death of William Dillon.

William Dillon, a familiar figure in Redwood, where he grew from boyhood to manhood, passed away yesterday forenoon at 10:40 having long been a sufferer from tuberculosis. The deceased was born in Folsom 50 years ago. His father was the late Dennis Dillon, a respected pioneer of this city. His mother died a year ago and an only sister passed away many years ago, leaving the deceased without near relatives. Dillon was a printer by trade and a most competent workman, having held responsible positions on different newspapers throughout the State. He was well educated and possessed more than the ordinary intelligence and was well liked.

The funeral will take place from Crowe's undertaking parlors next Monday afternoon at 2 o'clock. Interment will be in Holy Cross Cemetery, Menlo Park.

LOCAL REPUBLICANS SUPPORT PRESIDENT

County Convention Approves Action of National Party and Scores Deserters

The Taftites of the county had full sway in the Republican convention that was held in the Alhambra in thiscity last Saturday. They dominated the convention and adopted a platform that endorsed the administration of President Taft and gave Governor Johnson praise for his administration but denounced his action in bolting the convention at Chicago. The four progressive party adherents could not stand for such a platform and withdrew from the convention.

The gathering was called to order by Thomas Connelly, chairman of the county committee. He called for the election of a temporary chairman and Geo. W. Lovie took the floor and in a neat address placed in nomination Sam D. Merk of Burlingame whom he referred to as an old line Republican who was in a position to take up the cudgel on behalf of the party in the approaching political contest. The nomination was eloquently seconded by G. F. McGregor and E. E. Skinner, fellow townsmen of Mr. Merk. There being no other nominations Mr. Merk was elected by acclamation.

Mr. Merk on taking the chair made a splendid address. After acknowledging the honor bestowed upon him he eloquently told of the achievements of the Republican party since its organization and predicted success for it at the November election. His speech was loudly applauded. Fred Chilcott was elected secretary by acclamation. After reading the roll of delegates the chairman appointed the following committees:

On credentials, G. W. Lovie, G. J. McGregor, H. C. Tuchsen and Jesse Robb; platform, E. E. Skinner, Jas. T. O'Keefe, C. N. Kirkbride, H. E. Griffith, Mr. Connolly; order of business, Lee T. Ross, Mrs. C. Diggles, Mrs. Romie B. Hutchinson, Dr. Bohm and T. C. McGovern.

An adjournment was then taken to 11:30 o'clock to give the committees time to prepare their reports.

On reconvening the reports of the committee were read, the temporary officers of the convention were made permanent. The committee on credentials reported that fifty delegates were entitled to seats in the convention, these included several proxies. The following platform was read by the secretary:

"We reaffirm the principles which actuated the party since its formation 50 years ago for the purpose of taking the most progressive step ever taken in the history of the Nation; namely—the creation of a Nation in the true sense of the word out of a collection of states, each claiming all rights of sovereignity.

We believe the Republican party is a true party of progress, a party which can and will do and will do things as well as make promises.

We believe the party to be the one to conserve the resources of the County and to develope its resources.

The Republican party placed in the Presidential Chair, Hon. William H. Taft, we believe, will go down in history as one of the greatest Presidents of the country. He has given us a safe, sane and progressive administration. We commend and endorse the same.

The Republican party placed in the Governor's chair, Hon. Hiram W. Johnson, he has given the State a strong and remarkably progressive administration and we commend and endorse the same. We do not endorse his act in leaving the Chicago Convention and participating in the formation of a third party.

We commend the acts of our legislatvie representatives, Congressman E. A. Hayes and Assemblyman Henry Ward Brown, and our local representatives in public office.

We commend the Republican nominations made at this date for public office, namely within this county: Henry Ward Brown for Assemblyman, Hugh Rogers of Supervisor of the First township and John MacBain for Supervisor of the Third township.

At the conclusion of the reading Charles M. Morse of San Mateo took the floor in opposition to the adoption of the platform. He approved the endorsing of the administration of Governor Johnson but would not stand for the other portions of the platform. He believed that the two old parties had departed from the principles for which Lincoln stood, that the trusts dictated the principles of the Republican party. Mr. Morse derisevly spoke of the theft of the two California delegates at the Chicago convention and closed his vigorous speech by announcing his withdrawl from the convention. Three others also left the convention. They were Editor Dunn of Denniston, Mrs. Diggles of Lomita Park and Mrs. Hutchinson of Visitacion, the latter made a firey speech before leaving the hall. Geo. W. Lovie was the first to reply to Morse. Mr. Lovie made a forcible address. He said he delieved in theprinciples of the Republican party. It was the party that did things, its achievements during the past fifty years was sufficient recommendation for its continuance in power. That President Taft was the first chief executive to curb the trusts, it was he who dissolved the tobacco trust and other kindred organizations. He urged the adoption of the report. Mr. Lovie was given a round of applause as he took his seat. G. F. McGregor of Burlingame made the best speech of the convention in urging the adoption of the platform. He said that the Republican party was a party of safety, that President Taft guided the ship of state during the past four years on peaceful waters, every American should be proud of his administration. He was a safe, sane and conservative executive, one that every American should feel proud of. Mr. McGregor paid his respects to Governor Johnson, who was going over the country maligning the president. Mr. McGregor was applauded to the echo as he finished his masterly address. It was fully two minutes before the chairman secured order. On motion of John MacBain, seconded by E. E. Skinner, the report was adopted amid the cheers and handclapping of the delegates. On motion of John MacBain, seconded by George W. Lovie, the members of the county committee was reduced to five, one from each township.

The county committee was then selected as follows:

John MacBain of Menlo Park, chairman; T. C. McGovern of South San Francisco, secretary; E. E. Skinner of Burlingame; H. E. Griffith of Halfmoon Bay and Dr. D. E. Blackburn of Pescadero.

The convention then adjourned with three cheers for the standard bearers of the Republican party.

NEW CHURCH AT PORTOLA READY FOR DEDICATION

Sunday, September 29th will witness the completion and dedication of the beautiful little church at Portola, the corner stone of which was laid with solemn ceremony and in the presence of a large assembly last May.

The most Rev. P. W. Riordan, Archbishop of San Francisco will, in person, conduct the ceremony of dedication. The most Rev. Archbishop has expressed himself as highly gratified at the zeal and energy of those who have had the undertaking in hand. It required a large sacrifice oftime andpersonal interests to bring the fond project to so early and prfect conclusion.

Just a year ago, on a cool September evening, the Family Club of San Francisco, whose country club grounds adjoin the church property at Portola, staged, 'al fresco," a magnificent program in the picturesque grounds of the church at Menlo Park. The proceeds of that evening started the building fund for the new church. A finance committee appointed from among the members of the Family Club, together with Mr. J. A. Folger and Mr. A. J, Welch undertook to secure the further sum needed to make the fund adequate. Their efforts met with almost immediate success The actual building was begun in April of this year and in the very short period of six months the church has been completed. The finance committee consists of Messrs. J. K. Amstrong, J. A. Folger, Wm. O'B. McDonough, A. J. Welch and Rev. George Lacombe.

Equally generous with so many others Mr. J. R. Miller of the firm of Miller and Comesnil, architects of San Francisco, volunteered to furnish the plans for the contemplated building. The style chosen was old mission, designed on the lines of the old Mission Dolores church in San Francisco.

Mr. Miller gave perosnal attention to every detail of the plans and not merely of the building itself but also of the furnishings from the Sanctuary to the choir loft. Simplicity and harmony characterises th whole with the result that the completed building is architectually perfect and absolutely pleasing to the eye.

The finance committee has been splendidly assisted in its efforts by the late Dr. Garceau of San Francisco, the late Thomas Kelly of Portola who donated the large tract of land on which the church stands, and Mr. Eugene Kelly, brother of the late Thomas Kelly.

The dedication ceremonies on Sunday, September 29th, will begin at 10 a. m. The church will be dedicated to the Blessed Virgin under the title "Nostra Signora della Strada" (Our Lady of the wayside).

The Most Rev. Archbishop will be assisted in the solemn ceremony of the dedication by the Rev. George Lacombe, Deacon and the Rev. Wm. Brockage, professor at St. Patrick's Seminary, sub deacon.

Rev. Jerome B. Hannigan, pastor of Menlo Park and Portola, will sing the Solemn High Mass. The Deacon and Subdeacon of the mass will be the Rev. George .Lacombe and Rev. Wm. Brockage. During the mass, the most Rev. Archbishop will preside in the sanctuary. He will be attended by Rev. Wm. Lyons and Rev. Chas. A. Ramm as Deacons of honor.

The Rev. Charles A. Ramm, L. L. D., secretary to the Most Rev. Archbishop will preach the dedicatory sermon. The Rev. John J. Cantwell, secretary to the Most Rev. Archbishop will act as master of ceremonies.

The music, both of the dedication ceremonies and the solemn mass will be under the direction of Mr. Noel Sullivan of the Family Club, and will be rendered by the following Male quartet: Messrs. Charles Bulotti, 1st tenor, Geo. Wallace 2d tenor, Harold Pracht, baritone and Hadley Lawrnece basso, all holding prominent places in the musical world of San Francisco.

The singers will be supported by a string quartet. The Mass to be rendered in Gounod's Mass in G. The Offertory will be a violin Aria by Mr. Sigmund Beel.

A teamsters union was organized in Redwood City last Sunday. Wilson McPherosn was chosen president, George G. Douglass, vice president; R. S. Mangels, secretary; Lawrence Woods, treasurer Arthur Thimbler, outside guard and Tony Thimbler, outside guad and Tony Lyons, inside guard. The union will meet in Odd Fellows hall every Wednesday evening.

LIGHTING SYSTEM WILL BE EXTENDED

Council Will Ask Citizens to Vote Bonds for Needed Changes and Improvements.

Monday evening's session of the city council, which was attended by all of the trustees, proved to be an unusually lengthy one, it being nearly midnight before the last item of business was disposed of. Probably the matter of most public interest considered was the final adoption of the city tax rate for the coming year, a question which entailed much discussion. As finally determined the rate will be $1.67 for the old portion of the city and $1.44 in the "annex," a rate which, while somewhat lower than that of the previous year, is not as much of a reduction as the trustees evidently hoped to demands of the various bond funds. When the necessity for this increase in the bond funds was called to the attention of the council, several attempts were made to find a means of further reductions in the sum previously determined for the general fund, but it was finally determined that economy in this direction had already been pushed to the limit of safety and it was not deemed good public policy to limit the allowance for the library fund. As the rate was finally fixed, the reduction in the allowance for general expense is 67½ cents, a reduction of 10 per cent over that of last year.

A communication from H. A. Carroll of San Francisco, who is the owner of property at the corner of Main street Extension and Franklin streets, revived the old question of the improvement of the Main street extension through to the county road, for which he has made previous requests. As no improvement of streets in that section is under consideration at present, no definite action was taken, although the general expression of the trustees was that the proposed improvement at any time in the near future was impracticable because of the heavy expense which would be required for bridge construction.

The report of the city treasurer shows the receipts of the general fund to have been as follows:

Fines	$50.00
Licenses	67.00
Special permits	7.50
Roller hire	2.00
Taxes	126.50
Tree planting	9.35

The disbursements for the month amounted to $1,647.66, leaving the fund overdrawn to the amount of $4,512.36.

In the water fund there is a credit balance of $1892.72 after paying current expenses and bills amounting to $452.33 for supplies and meters.

Through its secretary, Frank S. Sears, the Park Commission presented a summary of its work from the date of its organization. The report nidicates that a total of 965 threes had been planted along the various streets of the city, and that in payment of the expense a total of $668.70 had been expended. Of this sum, $545.60 had been returned in the shape of payments by property owners in front of whose property the trees had been planted, and that there is still uncollected demands for this work amounting to $123.

At the request of the commission, Superintendent of Streets J. C. Dickey was designated to act as superintendent of parks, the position to carry no added salary. In answer to a request for funds to continue its work, the sum of $500 was set aside from the general fund, to become available January 1st. Another request of the commission was that the city marshal be instructed to strictly enforce the provisions of the ordinance requiring owners and occupants of property to remove from the streets all growths of weeds and accumulations of rubbish, a law which seemingly has been a dead letter for some time. The suggestion was admitted by the trustees to be a decidedly pertinent one, and the suggestion was made that a few arrests under its provisions might have a salutory effect.

Upon a request from Trustee Hynding that he was convinced the city had acquired no vested rights because of the filing of old maps showing extensions of Elm and Beach streets northerly from Stambaugh, the resolution surrendering all claim by the city to these supposed extensions was adopted.

Dr. Ross, the city health officer, reported that the officials of the Southern Pacific Company had expressed a willingness to cooperate with the city in any plans for standing pools of water on their property and trustee Hynding of the street committee was requested to consult with the railway officials in the work.

On behalf of the residents of Oak avenue, Mr. Soto urged that the council take steps toforce the construction of curbs and sidewalks on that thoroughfare. The demand of these people for relief was admitted to be a just one, and an order was made that concrete sidewalks and curbs be constructed on both sides of Oak avenue from the County road to Wood avenue.

At the suggestion of Dan R. Stafford, it was also ordered that curbs and sidewalks be constructed on Broadway from the railroad crossing to the County road and on the County Road from Broadway to Brewster avenue. The city clerk was instructed to issue the usual notice to owners of proprty and if tehe work is not done voluntarily the city will take a hand under the street improvement law.

The application of E. E. Price for a license for the Palm saloon at the corner of Broadway and Winslow street, was granted, it being shown that he had purchased the place.

The application of Emil Larson for a saloon license at the Tremont house was laid over until the next meeting in order to give him an opportunity to produce evidence that he intended to conduct the place as a hotel.

Preliminary steps were taken for the calling of a special election at which will be submitted to the voters a proposal for the issuance of bonds to the amount of $6000 for needed improvements in the street lighting system.

Trustee Deleau called attention to the fact that in the adoption of its new train schedule, the Southern Pacific Railway had made no attempt to remedy the unsatisfactory service which had been the source of frequent complaint and suggested that the council take some action. As the hour was too late to permit of extended discussion, action was deferred until the next meeting.

The usual list of claims against the city was approved and ordered paid.

LOCAL NEWS OF MENLO PARK

FAMILY CLUB TO APPEAR IN OPEN-AIR ENTERTAINMENT

On the eveninig of Saturday September 28th, Menlo Park will be the scene of one of the most brilliant gatherings this season on the peninsula.

The occasion will be the staging of a program by the Family Club in the beautiful grounds of the Catholic Church at this place.

Just a year ago a similar fete was held by the Family Club. It was then more or less of a venture, a first attempt of its kind. Its success was splendid. Encouraged by that success the Club this year has planned a fete on a much more elaborate scale and a program irresistible in its cleverness and fun.

The promise of it has aroused enthusiam far and near, and the consequent quest for tickets has already forced an enlargement in the arrangements already made for handling the audience. Mr. Larry Harris, the inimitable has charge of the program. He declines to give the numbers of the program, claiming that the entertainment of his audience is set for the evening of September 28th and not for this issue of the Times-Gazette.

This much however has leaked out. He has the best of good, the very good things the Family Club is noted for programed for that evening.

The program staged last year was for the purpose of starting a building fund for a new church at Portola. This year the proceeds of the fete will go towards the completion of that fund and to free the now finished church of all debt.

Among the Patronesses deeply interested both in the program and in the purpose for which it is to be given are Mesdames J. A Folger, Alexander Garceau, J. A. Donohoe, Perry Eyre, Edward Eyre, J. B. Casserly, Robert Hayne, Edward Barron, Bertha Welsh, Eugene Lent, E. R. Dimond, Charles D. McGettigan, Andrew Carrigan, L. W. Harris and George Whippell.

Items of Personal Mention.

The Deglers, Brandensteins, Chamberlains, Ehrmans and Taussigs have closed their summer homes here and have gone to the city for the winter months.

James G. Mason, who has been at Seabright for the past two weeks, will come home today. The Mason cottage there will be closed for the season. Mrs. Mason, who has been there since last July, will return with her husband.

Raymond Hara has secured a position with a leading garage in Palo Alto. Although quite young, success in his new vocation is evident, as he has all the sterling traits that go toward making a fine machinist.

Miss Lena Martin of Butte City, is spending a two weeks' vacation with her sister, Mrs. Frank Buelna. Miss, Martin, like her sister, is a charming young lady, and during her short stay has made many friends who will regret her departure.

Frank Andrew has moved back from Palo Alto and has leased the Russell cottage, adjoining the residence of B. Burke. Mr. Andrew has a brisk business here which makes it necessary for him to give it all of his attention so that he could not spare the time going to and from the College City.

Herbert Payne, who graduated from the law department of Harvard last May arrived here during the week, having motored across the continent. He left the east on July 17th and made many stops on the way, seeing the sights. He was accompanied on the trip by Mr. and Mrs. Webbs of New York.

CATHOLIC LADIES' AID TO HOLD ANNUAL CONVENTION

On next Tuesday morning the Rev. Jerome B. Hannigan of Menlo Park will open the annual session of the Grand Council of the Catholic Ladies' Aid Society at the society's seaside home at Del Mar, near Santa Cruz. The Catholic Ladies' Aid Society is a statewide organization, having for its various purposes the assistance of the poor, protection of traveling young girls and supplying homes for young ladies who are forced to make their living away from home and friends.

The society was organized some 30 years ago and has since done the work among charitably inclined Catholic women which the St. Vincent de Paul society does amongst Catholic men. At present it numbers 38 branches and is located in every town of any considerable size in the state. Its expenditures for the relief of the poor run from $12,000 to $15,000 a year. It has standing committees of reception, who meet incoming trains and boats in all the large centers of population,whose work is to look out for and protect girls and young women traveling alone. It controls and manages a large—in fact the only—hotel in San Francisco for self-supporting young women, St. Margaret's Club, on California street.

Father Hannigan has been the Grand Chaplain of the organization since the death of the late and deeply beloved Archbishop Montgomery in 1907. Father Hannigan will say the mass at Del Mar on Tuesday morning and will later deliver the opening address on the convening of the Council. The Grand Council will be in dleiberative session until Friday evening.

Death Comes Without Warning.

W. R. McIvor, a foreman for J. H. Keefe and Co., the painters, who had been stopping at the Menlo Park hotel for the past nine months, was found dead in his bed last Monday morning. His death was caused by the repture of one of the arteries of the throat. The deceased had many friends here and his demise is a shock to them all. He was apparently in good health the day before. He was held in high esteem by his employers, being one of their trusted men. The inquest was held Wednesday evening and the jury's verdict was that deceased came to his death from natural causes. The remains were cremated at Cypress Lawn Cemetery on Wednesday by the polishers' union. The deceased was a public speaker of some ability.

NEWS GATHERED FROM THE COUNTY

Interesting Notes Picked Up By Hustling Reporters in the Country Districts.

SOUTH SAN FRANCISCO.

Alma, the young daughter of Mr. and Mrs. Ed. Stahl, who submitted to an operation for appendicitis at a San Francisco hospital last week, is reported to be rapidly recovering.

Extensive improvements have been completed on the property of County Tax Collector Ambrose McSweeney at the corner of Grand avenue and Division street. A second story has been added to the building and the entire structure repainted. The store room is now occupied by J. Labarde, proprietor of the South City French laundry.

An unknown man committed suicide last Thursday afternoon on the baseball grounds, cutting his throat with a razor. In spite of a thorough investigation by Coroner Plymire, the identity of the suicide has not been established.

SAN BRUNO NOTES.

Mrs. C. Hirrell, who has been quite ill at a San Francisco hospital for the past two weeks, has returned to her home here much improved.

J. Ross has just completed a two-story building in the third addition. The lower story is fitted up as a wareroom, while the upper story is intended for living apartments, having six rooms, with bath and modern improvements.

The Southern Pacific freight yards at this station, which for some time past have proven inadequate for the local business, are to be enlarged and rearranged:

Constable J. H. Parker is confined to a San Francisco hospital, where he recently submitted to an operation. For some time past he has been suffering from a combination of ailments.

SAN MATEO AND BURLINGAME.

Residents of Burlingame are urging the school trustees to again submit to the voters the often defeated proposition to issue bonds for the purpose of building a school house. At the last meeting of the school board there was a large attendance of interested parents and the needs of the district were fully discussed. It is probable the trustees of the district will heed the request for another election in the near future.

Burlingame's new moving picture show house opened its doors last week. Shows are given every evening, with a matinee on Saturday and Sunday afternoons.

The Federal Construction Company, which has contracts for extensive street improvements in Burlingame, commenced work last week. F. D. Lorton has been appointed as inspector for the city.

The store of Levy Bros. at San Mateo was entered by safe crackers one night last week. While considerable damage was done to the safe, the operators failed to open the doors and secured nothing for their labor. As usual, no clue to the operators.

The large barn of the San Mateo Feed and Fuel Company, on the Belcher place in San Mateo, was completely destroyed by fire at an early hour Tuesday morning, resulting in the loss of a large quantity of hay stored in the place, in addition to the building. While the origin of the fire has not been definitely determined, it is supposed to have started from the explosion of fumes of gasoline. Shortly after midnight a large auto truck loaded with hay was put in the barn, and the theory is that the gasoline tank became heated and exploded. The loss is estimated at $6000, partially covered by a small insurance on the hay.

The city tax rate of San Mateo has been fixed by the council at $1.38. Of this rate, $1 is for the general fund and 7 cents for the library fund, while 31 cents is for bond fund interest.

The city council of Burlingame has fixed the rate of taxation for the coming year for municipal purposes at a total of $1. This is entirely for general expenses and the support of the library, as the city has no bonded indebtedness to provide for.

Superintendent Ford of the county farm made a statement to the board to the effect that he had investigated the charge that Manuel Fernandez, an inmate of the farm, was in comfortable circumstances while pretending to be an indigent, and had learned the following facts: Fernandez had been a ward of the county since July 1909, when it was agreed that his son would pay the county $8 monthly for his board. Two payments had been made. Recently Fernangez received $1750 from an insurance society for the death of a son in Honolulu which amount he transferred to another son who is in business at Berkeley. Mr. Ford said that Fernandez left the farm Monday.

It was ordered, on motion of Blackburn, seconded by Francis, that the matter be submitted to the district attorney who will endeavor to recover the amount due for Fernandez' board from his son.

A map of Lomita Park Lighting district was submitted and accepted on motion of Casey, seconded by Blackburn.

A report of the condition of the county's road funds was presented and it was ordered that copies be made for each member.

The board placed itself on record as opposed to the use of automobiles by the county officers in cases where the train service would serve the purpose as well.

The claim of Sheriff Mansfield was laid over until the next meeting for an itemized statement of certain expenses. A list of claims paid will be published next week.

Adjourned to October 7th.

Mrs. Grove of Wellesley Park returned from the hospital in San Francisco Tuesday, having submitted to a critical operation. She is much improved in health.
